

Your child will receive English and Maths homework on alternative Fridays to support them with their learning. Whilst it is their homework and important that they complete it, please support them in finishing it on time and handing it in on the following Friday.

If there is anything you are unsure of, or methods you are unfamiliar with, please check with their Class Teacher. The homework should not take more than one hour and your child should not worry if it is not complete, as long as they have tried their best.

WE ♥ READING!

We want our children to love books because:

Children who read often get better at it. ...

Reading exercises our brain. ...

Reading improves concentration. ...

Reading teaches children about the world around them. ...

Reading improves vocabulary and language skills. ...

Reading develops a child's imagination. ...

Reading helps children to develop empathy. ...

Reading is fun!

Please help us by encouraging your child to read every night at home and keep a record of it in their reading diary. If you can, read with them and to them!

Spellings

Children will receive weekly spellings on a Monday and they will be tested on a Monday. They will have tasks that they can complete at home and school.

It's all Greek to me!

TOPIC VOCABULARY

During this topic, the pupils will be introduced to a wide range of new words and phrases. Some of these are listed below. It would be very helpful if you could learn these with your child, including finding out what they mean and how they were used:

Oligarchy	Agora	Phalanx	Empire
Citizen	Acropolis	Helot	Sparta
Aristocrat	Peninsula	Peloponnesian War	Athens
Tyrant	Polis	Mythology	Olympics
Assembly	Democracy	Pyxis	tragedy

Do you know what all these words mean? Find out!

Home Learning Projects

These tasks are given to immerse our pupils in their school work and to encourage them to discuss their learning at home. We would like them to complete at least one. Any support you can give them will be beneficial.

Evidence of their work is due in by the 25/11/19. Presentation of the pupils work will then take place on the 29/11/19.

- ⇒ Create a 3D Greek artefact
- ⇒ Visit a history museum and create a leaflet about your experience linked to the Ancient Greeks
- ⇒ Find out about a Greek God and present your findings (leaflet, poster)
