Acting Head of School: Mrs S Bedi

Executive Head Teacher: Mrs R Osborne

One more term is done! Wow it just goes so fast but it has been brilliant! See below for a summary of events that have happened across school! A huge thank you to all the support our Collingtree family has given the school.

Unfortunately, we have to say goodbye to Mrs Chambers, who covers ppa across school, at Easter. Mrs Chambers has decided on pastures new to explore new areas of her teaching career. I am sure you will all join me in wishing her well for the future.

Mrs Vaida will cover Mrs Chambers' timetable until the end of the year. We have also secured Atomic Science (an outside agency who specialise in teaching science, who will deliver science to our Year 6 children on a Friday afternoon.

Rec and Year 1

The children have had a brilliant time learning about transport. They have been made brilliant hot air balloons and these have displayed in their classrooms. They visited Cosgrove on a bus and enjoyed a transport day where they brought in their bikes.

Year 2

The children have also had an excellent journey learning about transport. They had the pleasure of witnessing Mr Murray on his bike and then falling off! The children found this highly amusing and I must say so did the staff.

Year 3

The children have thoroughly enjoyed their journey through space this term! They have created some fab space models in shoe boxes and created their own galaxies in the hallway! They also had a great day at the space centre and are ready to travel into next term.

Year 4

Our Year 4 children also enjoyed their day at the space station and came back to school with even more facts than you can imagine. They spent the term exploring space, writing reports on this and even creating their own planets.

Year 5

The children enjoyed working in conjunction with the Year 6 children to create inventions and host a dragons den activity for Cosgrove. They are now excited to gather more facts about inventors at the Think Tank on Friday! We definitely have future scientists amongst us.

Year 6

A busy term for our Year 6 stars-not only have they researched inventors and scientists they also all became inventors when they created inventions for Dragons Den with Cosgrove! They are also in full swing with SATs prep! Keep going guys!

Safeguarding matters

If you're concerned about the well-being of any child or adult please speak to either Mrs Bedi (safeguarding lead), Mrs Osborne or Mrs Waller (deputy safeguarding leads). For out of hours concerns please contact Northamptonshire MASH (multi agency safeguarding hub) on: 0300 126 1000 (option 1) or out of hours: 01604 626 938.

action for children

26/5/19 Year 3 Family Service @ Church
27/5/19-3/6/19 May Half term
4/6/19—Children return to school

ATTENDANCE

I am very proud to announce that ?????? class have achieved ??% attendance over the last fortnight!

Can the other classes beat them in the coming weeks?

Any family with a child's attendance rate of less than 95% should expect to be contacted by the school for a period of attendance monitoring.

Unauthorised absences are those which the school does not consider reasonable and for which no "leave" has been given and include holidays. This type of absence can lead to the school using sanctions and/or legal proceedings including fines from the Local Authority.

Prayer

Dear Lord,
Please guide us, support us and give us strength to have courage in all situations.
Please show us how to love so we never give up on anybody.
Please give us mercy so we forgive those who hurt Us.

Amen
