Acting Head of School: Mrs S Bedi  
Executive Head Teacher: Mrs R Osborne

Another half term done already! We are half way through the year and this term has been extremely successful! The children have yet again been fully immersed in their topics and have had lots of enrichment to support this! Thank you to parents and families that have been in to support our curriculum!

## Year 5 and 6 Inventions

The children welcomed Cosgrove to their Dragons Den context where they shared their inventions with each other. Look out for tweets of the machines!

## Parents Evening

Thank you for a successful parents evening once again. As always we value all of your views and received some valuable comments over the two evenings! Look out on twitter for the feedback!

## Pebbles

## Collingtree Rocks!

Collingtree has joined in with hiding of rocks! We have shared our values on rocks and the CCC have hidden them in the village! Remember if you find one—hide it again for someone else to find!

## World Book Day

We are excited for World Book day on the 7th March and will be doing lots of activities in school. We invite all children and staff to dress up as any book character they wish! We do not expect you to buy an outfit but are excited for you to be as creative as you can! We are also looking to invite parents/carers in to read to children towards the end of the day so keep your diaries free!

## Reflection

What was your biggest achievement this half term?

When looking back over the past half term it is vital that we remember to celebrate our strengths as well as considering any weaknesses. Think about what went really well this half term and how this came about. What lessons can be taken away from this success and applied to your learning next half term?

## Prayer

Dear God,  
Please keep me strong to protect myself and others around me. Please keep me strong to look after myself and others around me. Please keep me strong to be kind to myself and others round me.

Amen
